

Privacy Policy

The privacy of our valued customers is critical to us.

We strongly believe our customers' personal information should not be shared with third-party(ies) without prior consent or a request from the customer.

Privacy is an individual's right, and at Excel-Par Electronics Private Limited (Excel-Par), customers' personal information, such as contact numbers, email addresses, communication addresses etc., is used only for our internal purpose. Customer contact information is stored in our database and is only used to contact you during our business engagement or to market our new products or services.

We at Excel-Par condemn the unauthorised reach and misuse and/or disclosure of the customer's personal information. We have strict guidelines and high-security features to prevent the same.

Visitors on our website, please note that your name, email address and other personal information submitted on our website may be stored with us and appear on the website.

Like other platforms, our server log files also receive general information such as visitor's IP addresses, cookies, etc.

Any changes to our 'Privacy Policy' will be posted [here](#) on our website.

Secure Online Payments

For any financial transactions, Excel-Par uses a 3rd-party secure payment gateway provided by "PayU". Any payment details provided, including credit card information not stored with Excel-Par. Instead, the information is securely stored and encrypted with Visa/MasterCard.

We use 'Cookies' to keep track of your current shopping session to personalise your experience so that you can retrieve your shopping cart anytime. 'Cookies' are tiny text files that our website places on your computer's hard drive to store information about your shopping session and to identify your computer.
